

The Work Revolution MANIFESTO

We believe in work,
and we believe **OUR WORK MATTERS.**

We believe humans **LOVE** to
when we get to do *something meaningful.* work,

We believe everyone **DESERVES**
to love their work. (**YES,**
we do mean everyone.)

We believe conversations about how we
CAN do things are *infinitely* more **CAN'T.**
powerful than why we

We believe profit is fine
—**necessary, even**—
but it is **NOT** the *point* of busine\$\$.

We believe business exists to create something
valuable for *the* **WORLD.**
